

Beyaz Ev Sinop

The white house was built in 1964 as a summer house. The building, which was the only structure in the region at that time, was built in the 1970s. Serving the region as a business at the beginning of the years. The effect of the American radar on the city On those days when the work was intense, working at the station singing officials also operate the suggestions and discourses. to be referred to as the White House. Black Sea and Sinop for more than 50 years. Concerned about offering the best to its tourism Beyaz Ev hotel and restaurant, the best of its existence continue to make its deserving guests happy. While presenting our rich menu to you, Sinop invaluable researches who opened the archive of engravings to us. We would like to express our gratitude to the farmer and businessman BARIŞ MERT.
